

The background of the entire banner is a vibrant, stylized illustration of a mountainous landscape. In the foreground, a group of seven people, dressed in medieval-style robes and cloaks, are seen from behind, standing on a grassy hill and looking out over a vast valley. The valley is filled with green fields, a winding river, and distant mountains. In the center of the image, a large, dark, winged dragon-like creature is depicted, its wings spread wide, as if it is emerging from or dissolving into a massive, billowing cloud of black particles or smoke. The sky is a deep blue with scattered white clouds. The overall aesthetic is a blend of fantasy and digital art.
